

Webinar for the Clinical Hospital Dubrava: Trial Access to EBSCO Databases

You are invited to a webinar to explore the high-quality, peer-reviewed medical resources available through EBSCO databases, which are now (or will be soon) accessible via trial.

During the session, we will also demonstrate how to effectively use these resources on the EBSCOhost research platform and the Dynamed clinical decision tool.

Webinar Agenda

- Overview of content in the EBSCO databases with trial access
- Live demonstration of the EBSCOhost research platform and the Dynamed interface
- Q&A Session

	Zoom Meeting
	Wednesday, January 14, 2026
	01:30 - 02:30 pm

The session will be recorded.
